

Each year, members of Alumni Chapter come together in support of the Gamma Collegiates at The Ohio State University. Our student chapter has 40 students on its roster. Your support allowed us to support 18 New Initiates. To award
 3 Under Graduates & 9 Graduate student Scholarships
 5 student Professional Conference Grants
 Sponsor a Lunch & Learn Workshop outlining successful procedures to apply for OSU and National Scholarships
 Contribute to the Student's Professional Project concluded this spring mentoring Linden Area Middle school students
 Money raised through the payment of dues as well as your support of our events and fundraisers allow us to contribute to these initiatives. We hope you will join us for our annual Holiday Brunch and Action in November, Founders Day in February and our Spring Pot Luck and General Meeting in April. You may follow us on our website for details throughout the year.

Please support us with the return of your annual dues, together we make a difference!

Phi Upsilon Omicron Gamma Alumni Inc.
